<b>REAL X MEDIA</b>  <a href="http://www.realxmedia.nl">www.realxmedia.nl</a>  	SOCHI OLIMPICS 2014 Documentary about Russian Olympic heroes	In my opinion, from the moment I contacted Masha I have experienced a very professional yet flexible attitude and insight regarding my request . I must also compliment the selection of crew, and the crew themselves which were very hard working experienced people with a pleasant way of interacting. Cameraman was very resourceful in providing me just the right footage, when my insight at the end of the day was not as sharp anymore. I would like to emphasise the equipment selection was exactly I am used working with, a high end industrial ENG set which completed the production completely in matter of image quality. She was head of TV Production at Ogilvy Moscow while I was ECD of that agency.</p> <p>I was impressed by her no-nonsense approach, her forward thinking and her realistic frame of mind when she handled projects.
